## POLITICAL INTERNSHIPS

---

The Susana Mendoza for Illinois Comptroller campaign is seeking full and part-time interns to serve in the summer and fall of 2016. With your help, we can fight to protect the most vulnerable residents in Illinois by supporting the candidacy of Chicago City Clerk Susana Mendoza, the democratic nominee for Illinois Comptroller.

The internship provides the unique opportunity to become intimately involved with the inner workings of a statewide Democratic campaign and learn skills useful for advancing a career in politics or government. Interns will gain hands-on experience with all aspects of the campaign.

The campaign is accepting applications from skilled and motivated applicants who are interested in politics, grassroots organizing, and communications. We seek energetic, hardworking individuals who are passionate about electing a democrat to the office of Illinois Comptroller and will take initiative to support the needs of the campaign team.

Interns are asked to dedicate at least 15 hours per week to the campaign. Internships are unpaid, but academic credit may be awarded. Please submit resume and letter of interest to [internship@susanamendoza.com](mailto:internship@susanamendoza.com).

City Clerk Susana Mendoza has devoted her entire adult life to public service. Elected to the Illinois House of Representatives at the age of 27, she co-founded Illinois' first Legislative Latino Caucus and co-chaired the Conference of Women Legislators.

Passionate about access to early childhood education, and a champion for students seeking a higher education, she has also been publicly recognized for her leadership and legislation on social services, public safety, job creation and animal welfare. As Illinois Comptroller, Susana will be the independent fiscal watchdog this state needs in order to push back against Governor Rauner's extreme "Turnaround Agenda".
